

## Spring Rally!

The Official date for our spring rally has been set for March 1st. The location will be at Paul Blazer High School's Library. The spring rally is where we elect next years Lieutenant Governor, our divisions Key Clubber of the year, and talk about changes that should be made. Each club is required to have 2 voting delegates for the election, but the club is advised to bring as many as possible.

Spring Rally also allows your club to get a head start for the next year of service by meeting the new Lieutenant Governor. If you have any members who plan on running for Lieutenant Governor or Key Clubber of Division 8 of the year please contact me through any form of contact on top of page. Thanks.

## D-CON!

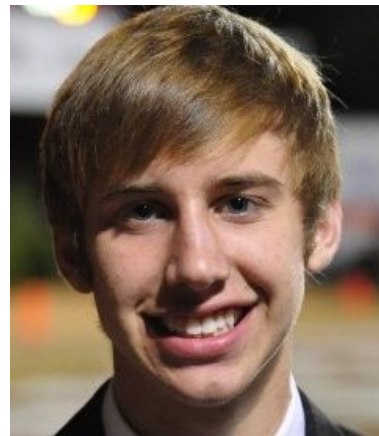

Remember if you have not paid your dues, you won't be able to attend. You should have received a packet in the mail telling all about how fun and beneficial this years convention will be. Start planning your clubs trip now! District Convention is planned for March 16-18 at the Chattanooga Choo-Choo Hotel. This is the largest event of the Key Club year and a great way to learn more about how Key Club works, operates, and different projects that other clubbers are involved in.

## Paying Your Dues

## Project Eliminate

Project Eliminate is a push to rid other countries of a deathly disease that has been extinct on more modern areas of the weather due to the vaccine.

Maternal/Neonatal Tetanus claims the life of almost 60,000 newborn babies every year and many mothers as well and is completely preventable.

Go to <http://ktkey.org/eliminate/> to find out more about this disease and what you can do to help.
