Hey Key Clubbers!!

Hello again K-T! Can you believe that we are already half-way through this Key Club year? With all the important events that have taken place I know that all of you have worked extremely hard thus far to serve your homes, schools, and communities. However, we are far from being done just yet!

With the holidays coming up it's the perfect time to get involved in any way that you can. You can volunteer at a local soup kitchen; donate clothing to a family in need, read to a child, or even run a small errand for the elderly lady next door. No matter how small each action is, someone's life is made easier and knowing that you have the power to change lives is truly

satisfying. Remember: Caring- Our Way of Life!

So I trust and hope that each and every one of you wonderful Key Clubbers will go out and do your best this holiday season to make a difference, and share with your communities the awesome service that Key Club can provide for them!

Yours in Service,
Jocelyn York

The K-T District Happenings

Kentucky-Tennessee
District Key Clubbers:

It is with great honor I say that I am the Governor of your mighty district! When I think about our outstanding clubs and the effects you have on your homes, schools, and communities, it constantly brings a smile to my face. It has been brought to my attention day after day how blessed our district is. Not only is K-T home to the International President, but we have been assigned one of the most wonderful Trustees yet, Anna Nyugen. Anna's responsibilities include acting as a liason and representative for our district on the International Council. I look forward for each of you getting

to know her. The upcoming event that has me the most thrilled is District Convention. District will be held on March 19-21 2010. The weekend long adventure will be going on at the Franklin Marriott only minutes away from Nashville, Tennessee. Our keynote speaker will be Judson Laipply. He is the creator and performer of the famous Evolution of Dance. I hope to see each and every one of you in Nashville for our informative and fun weekend together.

Mark Your Calendars!! for the Kentucky-Tennessee District Convention!!

This year's District Convention will be held at the Marriott Cool Springs Hotel in Franklin, TN. The Convention dates are scheduled for March 19th-21st, 2010. Changes Made to the International Board Courtesy of Ramya Velury

The Office of International Vice-President has been vacant for some time now but our Key Club International Board has finally come to a decision and has filled the position with a very worthy candidate. Lance Wilson, a former International Trustee, from the Missouri-Arkansas District was appointed to take over the job of Vice-President.

Lance Wilson the new International Vice-President

Shari-Ann Baker the new International Trustee

Since Wilson was an International Trustee his vacancy and district assignments will be taken over by the newly elected International Trustee Jamaican Key Clubber, Shari-Ann Baker. Shari-Ann will now be assigned the Jamaica, Caribbean-Atlantic and Florida Districts.

Key Club International Convention!!

The 67th annual Key Club International Convention will be held July 7th-11th, 2010, in Memphis, Tennessee. The convention will offer outstanding speakers and entertainers. There will also be a variety of fun and informative workshops, service fair, and officer elections for the 2010-2011 International Board. This is a great opportunity to meet new Key Clubbers from all over the world that share the same compassion and enthusiasm for service as you do.

The K-T District is once again offering a tour to the convention. Reservations will be handled on a first come-first serve basis! If you have any questions, contact Steve Phillips. So start making plans today! You don't want to pass up an opportunity like this one!
