Program Spotlight- UNICEF

UNICEF is an organization that specializes in protecting children's rights around the globe. Key Club is one of UNICEF's longest-standing partnerships. They support children's health and give them sanitary spaces, safe water, quality education, and protection from violence. Key Club International's newest partnership with UNICEF is the Start Strong: Zambia, where members raise money to help children in southeast Africa. The money goes to building community centers where children can learn, play, and have access to water and sanitation centers. It also helps train volunteers and provides toys and books to needy families. You can start fundraisers in numerous ways, such as hosting events (dances, trivia nights, etc) or doing Trick-or-Treat UNICEF.
