UPCOMING EVENTS

- March 22-24th-DCON

DCON INFORMATION

The 2024 K-T District Convention will be held at the Franklin Marriott – Cool Springs in Franklin, Tennessee.

This year's convention is sure to make an impression with the numerous activities and events we have planned. Josh Hiscock will be joining us as our Keynote speaker this year. He will set the tone for an exciting weekend with his energetic, powerful, meaningful, and entertaining presentation at Friday's opening session. We think you'll really enjoy being part of this year's conference! You can download Key Club International Convention contest award forms on ktkey.org

**Happy
St. Patrick's
Day**

Hello division 6 key clubbers'. I hope everyone is excited for DCON. This will be my last New letter but, With that being said if you have any questions up until my last day. I will gladly help out in any way I can.

As this is my last newsletter of the term I wanted to thank you all for letting me be your LTG. This year was a lot of hard work but I wouldn't take it back for anything. I know you're going to love your upcoming LTG, and I hope you all treat her as kindly as you've treated me. I'll see some of you at DCON, but if I don't just know I'll always be available to help even after my term is officially up. Thank you all for the amazing year!

PROGRAM PARTNER:

UNICEF

UNICEF is an organization specializing in helping/protecting the rights of children all around the globe and is one of Key Club's longest-standing partnerships. UNICEF is helping in over 190 countries and territories. This organization works in the world's most challenging places to help disadvantaged children and adolescents. They are supporting the children's health, giving them sanitary spaces, safe water, a quality education, and protection from violence. Even though they focus on the youth, they also reach a hand out to the families involved. Not to mention they are the largest provider of vaccines. One of Key Club's impacts is with Trick-or-Treat for UNICEF. Key Club International's newest partnership with UNICEF is the Start Strong: Zambia, where members worldwide raise money to help children in southeast Africa. This money helps build community centers where children can learn, play and have water/ sanitation facilities. It also helps train volunteers and provides toys and books to parents and children. UNICEF brings life-saving help and hopes to everyone that they work with. To find more information on this wonderful organization, visit unicef.org.
