About Me:

Hi guys! My name is Katie Harper and I am your 2024-2025 division 5a Lieutenant Governor. I am currently a junior at L&N STEM Academy and the president of my school's club. One of my favorite things to do is go to concerts and one thing I want to do more of is travel. I am so excited to serve division 5a this year and work with the board to have a great service year!

DCON Recap

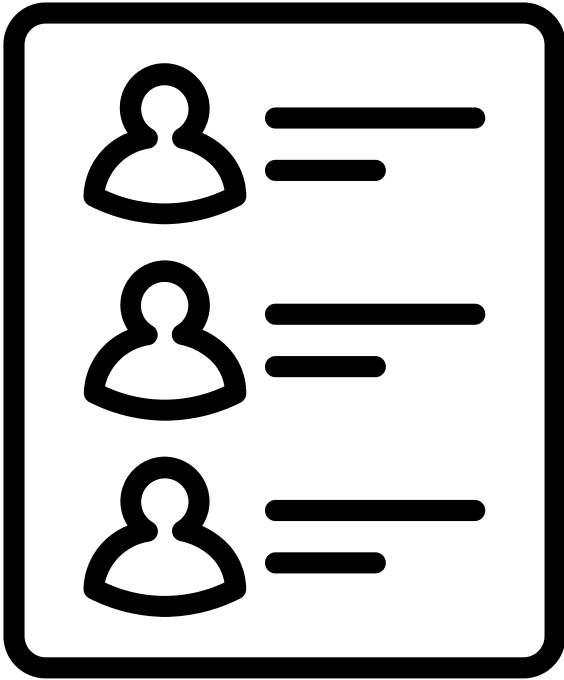

In March, at DCON, our district had fun attending workshops, meeting new people, and exploring what it means to be in Key Club. We also recognized some clubs for all the amazing work they do with some awards, and a few clubs in our division won, which is awesome!

Spring Board Meeting

This April, we had our first board meeting with the new board for the Kentucky-Tennessee District!

At spring board, we got the chance to meet other board members, learn more about how the board works, and get to know each other better. We were able to accomplish a lot during this time, including establishing some goals for the upcoming service year. Ontop of our meetings all together, we got the chance to talk to our Kiwanis advisors and also meet in committees. It was a very successful start to the year.

Contact Info

I am excited to work with you all this year and to make sure we can communicate, I need your club contact info. If you have already had elections, I would love it if current officers or advisors would send me your club officers' updated information. Thank you!
