District Convention Recap

Recently, Key Club members from all around the Kentucky-Tennessee district gathered together for a weekend at our District Convention in Franklin, Tennessee. Several workshops were held and moderated by K-T board members, detailing officer responsibilities, development of professional skills, communication through technology, and so much more! In addition to that, we completed a service project for the Isaiah 117 House, enjoyed entertainment from keynote speaker Josh Hiscock, and presented the District Awards. Lastly, we installed our elected 2024-2025 District Board. Lucy Teng was elected Treasurer, Aubrey Skernivitz as Secretary, and Jack Slaton as Governor. Several new lieutenant governors were installed alongside them after being elected at their division's individual Spring Rallies. The convention was very well executed and a perfect end to a successful year!

Successful Spring Board

Our 2024-2025 K-T District Board meeting was held in Knoxville, Tennessee. We learned our specific duties, how to conduct certain procedures, met with our committee members, and got to know each other! Our meeting ran very smoothly and we are now more prepared for the year. I'm so excited and glad to get to work alongside these board members this year! I am very impressed with what I've seen and I am confident we will all work well together.

Club Contacts

Newsletters are a great way to update everyone in the division about the latest happenings within the division. So, in order for our year to be as efficient as possible, I need to be able to contact everyone. I would like to get updated club officers' contact information as soon as possible from all the club advisors and the current officers to ensure that I can keep everyone up to date on important Key Club events and projects!

International Convention

Key Club International Convention is **July 9-14** in **Atlanta, Georgia**. Key Clubbers from all around the world will gather to attend workshops and vote on important issues. We can use our voices to vote for the future international board! This is a *great* opportunity to travel and make new friends from around the district and the world. Because of the convention's proximity to our district, this is a *perfect* time to attend at a relatively low price and see Key Club's reach on a larger scale. More information on joining the K-T district tour is available on ktkey.org
