District Convention Recap

DCON was such an amazing time! We danced, laughed, met new people, and learned so much about key club! Josh Hiscock was our key-note speaker and he shared his inspiring story and brought us together with groups games!

We made blankets for the Isaiah 1:17 house, and we voted on the new K-T Board. Congrats to our new K-T District Board!

Successful Spring Board

This past weekend, the new K-T Board all met for our Spring Board meeting where I learned about my role as a Lieutenant Governor and got lots of tips on how to serve you all the best I can. We worked really hard as we formed friendships that strengthens the board and our ability to lead together. So many great ideas were presented by everyone and we are all excited for the upcoming year!

Club Contacts

To have a timely communication with division 7, I ask club presidents to email me new club officers contact information. This will be a great start to ensure that all clubs are kept up to date in a timely manner. Thank you all for your hard work and let's have a successful year!

International Convention

International Convention (ICON) is an amazing opportunity to meet key clubbers from all over the world. It will take place in Atlanta, Georgia and K-T will be offering anyone who attends to be able to tour attractions such as Six Flags, The Georgia Aquarium, and the Coca-Cola Factory. The actual convention offers unique workshops for everyone where you will be able to learn many more things about Key Club on the international level. I hope to see many faces from our division in Atlanta this summer.
