## Dcon

I experienced my first Dcon ever this year, it was amazing. We had activities such as workshops, voting for the new K-T District Board, and Josh Hiscock as our key-note speaker! We made blankets for the Isaiah 1:17 house. I would recommend that if you can come to Dcon this following year that you do!

## Icon

Icon is such a fun and amazing experience, it is a great opportunity to meet fellow key clubbers from all over the world! Icon is in Atlanta, Georgia this year. Workshops of all kinds happen at Icon. It is such a fun way to learn and understand key club on a whole other level!
