Food 4 Thought

Hi Everyone! I hope you all had a great month of service and are enjoying your last few weeks of school.

This summer I encourage you all to reach out to your community and find issues that are relevant to your environment.

My example is to get better crosswalks in my town. What needs improving where you live?

END OF YEAR

It's the most wonderful time of year! With school coming to a close I encourage all of you to have a Key Club Banquet for your Key Club. This is something that is very fun, but it also recognizes all the hard work you all have done throughout the year. Also, if you are not a senior, I encourage you all to make goody bags for your seniors that represent your Key Club!

SENIORS...

THANK YOU!!! Thank you for your service to this club and your communities. We honor and appreciate all of your hard work, and I know you will all go on to do great things. If you are interested in Key Club in College there is one! It's called Circle K and is very similar to Key Club, just on a different level. Congratulations on a new chapter of life!

Club Contacts

Once again if your club president has not sent me the list of officers with emails, please do so ASAP. If you have not emailed me, you will be getting a personal email to you asking for the emails. I need to ensure every has access to our communication device.

International Convention

International Convention is upon us! Only 2 months left and K-T will be heading to Atlanta. If you have any questions/comments/concerns please email me. Get excited because this convention will open up so many doors for you.

Doors such as: friendships, Knowledge, Tactics, Social Skills, and so many more. I hope you all are as excited as I am!
