June

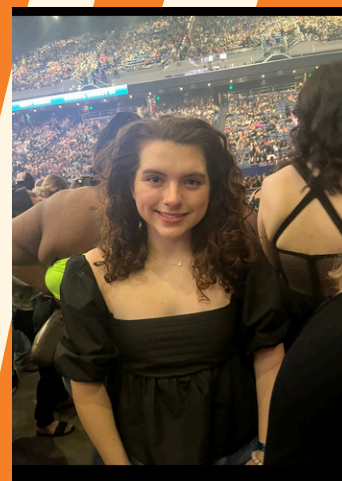

Club Conacts

Hello, Division 10! I hope everyone is doing well as we come to a close with this school year. To stay in contact this summer and for the following months, I would like to get an updated list of club officers' contact information with names and emails. I need this as soon as possible, so make sure to send this in within the next two weeks. Send your information to carlie@ktkey.org

Summer!

Key Club has officially entered the summer season! Congratulations to all of the great work that Division 10 Key Clubs accomplished this year. Some things to keep in mind: be thinking of your goals and projects that you want to accomplish with your Key Club this upcoming school year! ktkey.org has a lot of great ideas for this!

Delinquent

February 1st, 2025
Unpaid Clubs
Suspended

International Convention

Even though registration is past the deadline, Key clubs across the globe are looking forward to this year's ICON! ICON is a wonderful way to become more connected with Key Club organization. Enjoy workshops and other fun learning experiences this summer July 9th- 14th. ICON takes place in Atlanta, Georgia, which means you will have a free day to attend attractions like Six Flags or Atlanta's malls! For more details, go to ktkey.org for registration details.

Club Monthly Reports

I love hearing and reading about all of the wonderful things that Division 10 Key Club's do. An important task that each Key Club should complete every month is the club monthly reports. This link can be found on the KT-Key website(ktkey.org) under club resources. This should be completed by the 10th of each month.
