## Service Throughout the Summer

Last month, I sent out some service project ideas, but I've taken the time to come up with another list for anyone who is interested. It is always a good time for any of these, but free time in the summer is valuable time that can be used to do your part!

- Help an elderly neighbor with maintaining his/her lawn
- Volunteer at your church's nursery or daycare
- Organize or help with a children's sports league
- Volunteer at a summer camp
- Start a school supply drive for the upcoming school year
