Club Contacts

Again, congratulations to those nominated and elected, however, I am still in need of some club's contact information. It is very important to turn this in as it allows for newsletters and information to reach more Key Clubbers more efficiently! Again, please email me at arley@ktkey.org!

Fall Rally

Fall Rally is approaching fast as it will be October 19th! It is an exciting event where key clubbers from around the district will come together and meet one another! I have attended since freshman year and I have loved it every time. So please join me this year! More information will be out as it approaches!

Due Increase

I hope that everyone that was able to attend ICON had an absolute blast! I have seen so many photos of the amazing activities that ICON offered, nevertheless, I have heard of the amendments that passed. The international dues have increased by \$3 as well a new subsidy program to help assist foreign districts. This also means that our district dues are now \$10.

Summer Activities

Although August is approaching and summer is coming to a near end, it does not mean that service must do the same. Service is year long and should be continued. If you're out of ideas, below are a couple!

- **Make “Thank You” cards to law enforcement or first responders**
- **Volunteer to cook at your local Ronald McDonald House**
- **Volunteer to help and cuddle with animals in your nearest animal shelters**
- **Gather needed products to help organizations such as Isaiah 117 House**
- **Volunteer at local food banks**
- **Create fundraisers for the Thirst Project**
