Club Conacts

Hello, Division 10! I hope everyone has had a lovely Summer! As we head back into the school season, it's important we get a jump start on Key Club activities. Forming a plan for recruiting new members, thinking about potential project ideas, and reaching out to board members and advisors are all a great start! The "Key" to a successful year is being proactive in mapping out your school year :)

Key Club Checklist

- *Reach out to your club officers*
- *Schedule a time to meet with your advisor*
- *Go over officer roles*
- *Create a plan for club recruitment*
- *Create a timeline for your projects/events to help keep your club on track throughout the year*

International Convention

Big success at this year's ICON! We had two important amendments passed in relation to dues:

There is a \$3 international dues increase, along with a subsidy program to aid foreign districts.

Starting October 1st, 2029, dues will be increased in increments of \$0.25 based on inflation for the last 4 years.

Why is ICON so important

International Convention gives Key Club members a chance to experience just how amazing the Key Club organization is. Members have the chance to vote on the running International board, while also giving them a platform to give their opinions on Key club topics and issues.

Upcoming Division 10 Events

- Divisional Officer training will take place in October/September
- All club officers are encouraged to attend, as it will help to build on existing skills.

Need Club Resources?

It can be difficult to find online resources for your club, especially with the thousands of Key Clubs across the globe.

Keyclub.org has a resources page that supplies you with links to just about everything. I really encourage clubs to check the website out!
