### ICON RECAP:

*Key Club International hosted the 99th International Convention in Atlanta, GA. This was an amazing opportunity to attend workshops for running for higher office, college advise, officer position trainings, and so much more. We also voted on the new international board, attended sessions with amazing guest speakers, and voted on new amendments. The dues have been raised for Key Club International from \$7 to \$10. You can find more information on the Key Club International Website regarding all dues information, as well as other amendment changes.*

## Ronald McDonald House

As our district project, it is so important to be involved in this cause.

RMDH helps keep families close to their hospitalized children and helps them through the crisis. There are numerous ways you can help keep these RMDHs running to their best ability. You can host a drive for their wish list items, which are updated usually regularly. As a reminder, there are awards given at DCON for specific clubs work with the Ronald McDonald House.
