Need Club Resources?

It can be difficult to find online resources for your club, especially with the thousands of Key Clubs across the globe.

Keyclub.org has a resources page that supplies you with links to just about everything. I really encourage clubs to check the website out!

International Convention

Big success at this year's ICON! We had two important amendments passed in relation to dues:

There is a \$3 international dues increase, along with a subsidy program to aid foreign districts.

Starting October 1st, 2029, dues will be increased in increments of \$0.25 based on inflation for the last 4 years.
