October is Breast Cancer awareness month! There are so many fundraisers your club can set up to help women who have been diagnosed with Breast cancer. All funds raised can be sent to organizations who thrive to help those who have been diagnosed.

Fundraising Ideas-
Selling Ribbons with drinks
Change jar collections around your school
Selling shirts or similar
Taking up collections during half time or before a sports game

Did you know there are 3.8 million breast cancer survivors in the US?

Dues are payable!!

It is October so it is also that time again! Dues are officially payable! Be sure to get those collected and sent in as soon as possible! If you have them in by November 1st you can get the early bird patch!! If they aren't paid by December 1st your club will become delinquent. So make sure you get those in!

Monthly Reports

Your club monthly reports are due on the 10th of each month but they can be done earlier! They will always be over the month before the one we are in. So Octobers monthly report will be over September. Please be sure you are turning those in as they are used to decide awards and more for your club! They can be done on Ktkey.org If you have any questions about them you can contact the district secretary aubrey@ktkey.org
