BEEN UP TO:**

KT District Secretary**

# BREAKING NEWS IN KEY CLUB INTERNATIONAL:

It's officially the **100th year of Key Club International!** There are tons of new special opportunities like a lower reactivation fee and a special 100th year fundraiser.

At ICON, member **dues were increased** from **\$14 total to \$20 total**. This will help combat the international deficit and bring new opportunities for members.

An **inflation-based automatic dues adjustment protocol has been implemented** to ensure that future members will not have to pass dues adjustments. This will go into effect in 2029.

For more information on the amendments passed at International Convention, contact me at [aubrey@ktkey.org](mailto:aubrey@ktkey.org) or take a look at <https://www.keyclub.org/wp-content/uploads/sites/19/2022/06/2024-Proposed-Amendments-Final.pdf>
