

LIZ'S LETTER

January Newsletter

Happy New Year! January is here, and we're halfway through the service year. If your club hasn't paid its dues yet, there's still time, but don't wait too long. Clubs that don't pay by February will remain delinquent, so make sure to handle it soon. Let me know if you have any questions or need help with the process.

Spring Rally is just around the corner on February 22nd. At the event, we'll be electing a new Lieutenant Governor. If you're interested in running, now is the time to review the election process. Feel free to reach out if you have questions or need guidance.

This year marks Key Club's 100th anniversary, which means all suspended clubs can reactivate for free. It's a great opportunity to encourage participation and make this milestone year one to remember.

If you notice any glitches or issues on the Key Club website, please let me know so we can address them quickly. As always, feel free to contact me with any questions, concerns, or ideas.
