Club Visits

Throughout the next few weeks, I will be contacting club officers and advisors and conducting my first club visits for the year. In these visits, I will formally introduce myself (One on One) collect information from new officers, discuss International Convention in more depth, talk about service projects and fundraising ideas, and get to know each and every one of you as individuals.

My Plans for our Division

As I course through my year as Lieutenant Governor of this division I have set many goals that we, as a division, will meet. First, communication between the district board and clubs is going to be thoroughly improved. Second, I hope to recruit as many new members as possible for clubs in the upcoming school year. Third, I will strengthen the bonds of communication between myself and officers of clubs, along with individual members.

Spring Board Meeting

The Spring Board Meeting and Training Conference was so much fun for everyone! The board bonded and got to know everyone very well! As the new board for our district, we set the yearly goals we hope to achieve and discussed International Convention, so as to promote it to our clubs. ICON will be discussed below. The new district editor and historian were officially installed at the Spring Board. Keilah King of Fulton High School was appointed District Historian by our Governor, Emily Howard. Officer Training?

I would like to discuss officer training for newly elected officers. I have not definite date set yet, so I would like your opinion on the matter. Would you like to attend a group session where the entire division would be involved or would you like me to come to your school and train officers for your club only? Also, depending on your choice, is there any dates you would not be able to attend? By answering these questions, I will do my best to schedule officer training to where everyone can attend.

Please inform me of your preferences by the end of April by contacting either by text or call on my cell phone, if you do not get an answer please leave me a voicemail. You can also contact me by email. Or tell me face to face at our club visits! Thank you!
