## **School is ALMOST over!**

I am sure each and every one of you is counting down the days until this school year is up! The end of the school year marks something special. For outgoing seniors, it the end of their key club membership in high school. For underclassmen, it marks a break to get ready for the next year

## **ICON**

Even though the deadline is tomorrow, if you wish to go to International convention, please get your deposit in as soon as possible. We're going to have a blast in the Windy City!!

## **I need contact information!!**

I am in desperate need of your contact information! I haven't been able to contact many schools because I do not have any way to contact them! If I have not contacted you or an advisor please reach out to me!!!!

## **Summer Activities**

Even though the school year is close to over, please continue to do summer projects and activities. Volunteer for a school drive to get supplies for needy kids for the next school year. Donate your time to the animal shelter or helping clean up a park. The possibilities are endless!!!
