TN

November 2-4 - Kiwanis
Family Conference
Located in Black
Mountain, NC

March 22-24, 2019 - Key
Club District Convention
Located in Franklin, TN

Happy Summer Everyone!

I hope everyone is having an amazing start to their summers! We've only just begun and it already feels like its moving to fast. I'm sure you all feel the same as well. Luckily, we have plenty of free time now to dedicate to improving the lives of those around us. Now I know some people may struggle to find service opportunities during the summer, but believe me, there are a lot of chances to help others. I will list a few below, but if you are ever in need of ideas or inspiration please do not hesitate to contact me at:

Email: brandon@ktkey.org

Phone: (931) 801-2541

Additionally, Club Advisors and/or Presidents, please send me names and emails for each of next years officers (If you have yet to do so), or let me know if you will be electing officers next year. Club Presidents, please send me a phone number that I will be able to call you through (If possible), and check your emails regularly because I will be attempting to schedule phone calls for those I have contact information for over the next few days.

Finally, I know we have some time until school starts back up, but anytime that you have a meeting or event during the school year I would be thrilled if I could attend and support your club as well.

Service Opportunities:

I recently sent out an email to advisors discussing Project Transformation, but in short it is a National Organization that emphasizes educational, literary, and social/emotional growth for children, growing leadership skills in young adults, and connecting churches to communities. They offer many service opportunities ranging from summer enrichment sessions, in which volunteers read with children, to after school enrichment sessions, in which volunteers have the opportunity to tutor young students, and even summer internships for college age students. If you would like more information on this organization please visit the following link or social media pages:

Facebook: ProjectTransformationTennessee

Instagram and Twitter: @ProjTranTN

Here are some ways you can get involved with Ronald McDonald House as well:

- Hold a work day at Ronald McDonald House. Be sure to schedule this with the house manager. Don't show up unannounced.
- Prepare a meal at the Ronald McDonald House. This can be done as one time activity or on a regular basis. Contact the house manager to arrange to do this.
- Take Wish-List items to your local Ronald McDonald House

• Have a Pop-Tab Collection to help raise funds and involve family or friends to this fundraiser. More information can be found at either <https://www.rmhcncashville.com> or <https://www.ktkey.org>

Also, if anyone ever has a service project they would like me to share with others feel free to email me and I will send it out!
