Hey KT District! I'm so excited to be your District Governor and grow with you and the whole KT family. I live in Lexington, Ky (Division 10/11) where I attend Henry Clay High School. I'm also in a program at my local community college where I am working to receive my associates degree before I graduate high school. I also work at Justice, a retail store for little girls, and help those girls find what they need to be confident in themselves and rock it down their runway- which of course is everywhere. In my free time I'm usually looking at memes, listening to new music, or watching my favorite youtube channels. And I am obsessed with pugs (but i mean who isn't) and doing my makeup when there is no where to go. If you want to know more about me, feel free to contact me- emily@ktkey.org (502)9397730 insta: emilyfhoward I am super excited to work with all of you throughout the year and I'm going to enjoy getting to know each of you and what makes you unique!

A wise man once said, “Living life is a choice. Making a difference in someone else’s isn’t”. This wise man also happens to be one of my favorite musicians, Kid Cudi. In my life, I have been blessed with many opportunities from academics to rowing to getting to serve as an Club Editor for our Key Club District! Despite my appreciation for all of these things, what drives me as an individual is giving back to my community through service. If ever you see me, whether at D-con, I-con, or any other Key Club sponsored event, know that it is my duty to help you and make your Key Club experience better!
