DIVISIONAL COUNCIL MEETING

We are having our very first Divisional Council Meeting on Thursday, JULY 19th at the Rustic Cow Ice Cream and Smoothies Parlor in Newport!! It will be a fun-filled morning, with the meeting beginning at 11. We will be discussing some business, talking about our plans for the year, and doing a service project. I invite any and all Key-Clubbers from our Division to attend. Please be sure to bring money if you would like to eat and please make every effort to attend, as this meeting is important for me to gather any contact information I have not yet collected. Mark your calendars for July 19th! Don't miss news from ICON along with other activities with Key-clubbers from our Division!

Summer Activities

It's Summer! Even though school is out, you can still pitch in and help around your community. Below are just a few of the awesome things you can participate in while school's out.

- Visit the elderly in a nursing home
- Walk dogs at your Animal Shelter
- Donate canned goods to a local food pantry
