KENTUCKY-TENNESSEE DISTRICT KEY CLUB

DIVISION 10/11

The Keynote

Hello Everyone!

This is Grayson Thurman, Lt. Governor for KY-TN District, Division 10/11. Hope everyone is having a really good summer!

This issue of the Division 10/11 newsletter, The Keynote, is a special edition with many photos from the 2018 International Convention in Chicago!

Pay close attention to a few areas especially the request for officer and club information, club reports, spotlight, and important dates for your calendar.

I will be contacting you soon with information about a division wide meeting including officer training. Likewise, we'll soon be having regular meetings by phone and group texts. Communication is very important so be sure and read this newsletter and the information that will help our clubs and our division.

It is an honor to serve as your Lieutenant Governor for Division 10 /11 of the Kentucky-Tennessee District of Key Club International. For most of us, school is really just weeks away now. I am excited about the 2018-2019 year for Division 10/11 and the KY-TN District!

I always welcome your thoughts and suggestions. Please email me or call me anytime!

Grayson Thurman

ABOUT KY-TN DISTRICT DIVISION 10-11

In 2017-2018, Division 10-11 included 16 clubs. Schools with clubs are Anderson Co. High, Bourbon Co. High, Boyle Co. High, Franklin Co. High, Frederick Douglas High, Harrison Co. High, Henry Clay High, Larry A. Ryle High, Mercer Co. High, Paris High, Scott High, Scott Co. High, Tates Creek High, Western Hills High, Williamstown High, and Woodford Co. High. That's 405 members!

Can we pass that number and not only increase the size of our school membership but also increase the number of clubs in our division? I have some ideas and we'll be talking about that at our division meeting.

PROJECTS

What is your club doing in your school or community?

Send information and pics and they'll be highlighted here!

STAY TUNED!!!

Our Division meeting will include a service project and I'll also be sharing ideas about how we can all help with the KY-TN District designated project which is the Ronald McDonald House. The Ronald McDonald House is an important place because it provides a temporary home for families in need when their kids are in cities for medical treatment.
