October Issue

TIME FOR TRICK-or-TREAT for UNICEF!

One newborn dies every nine minutes from tetanus. That's about 160 newborns each day.

MNT results when tetanus spores, which are present in soil everywhere, enter the bloodstream.

If a woman is properly vaccinated against tetanus, she will have immunity through most of her childbearing years.

Babies born to mothers who have been vaccinated will be protected through the first several months of life.

During the month of October, Key Club sponsors Trick-or-Treat for UNICEF.

Clubs in the district collect money throughout the month that will be donated to the Eliminate Project.

Our goal this year is to raise \$3 Million. Clubs that participated last year should have already received their boxes or will be receiving them soon

Clubs needing materials or extras can order from the Key Club Store Online or call 1-800-KIWANIS.

Be sure to do your part! We are close to eliminating maternal and neonatal tetanus with only 14 countries left!

Together we can do it!

KEY CLUB

Stay Tuned!

Keep on the lookout for confirmation and news on the following projects currently in progress by your Lt. Governor

November DCM

I am planning a Divisional Council Meeting for November 10th. I am still awaiting confirmation for the time and location. A news Bulletin will be published on the ktkey.org website and sent to everyone on the mailing list when confirmation is received. Expect news for this date within the next few days.

Key Club Week Project

I am trying to organize a district project with Kiwanis Family Clubs such as Circle K, Builders, and Aktion Clubs. This would be for Day 5 of Key Club Week, which is Connect the K's. If I can make this event happen all members will be notified of the date, time, and location ASAP. A news bulletin will be posted on the ktkey.org website and sent to everyone on the Division mailing list.

Spring Rally

This is far off, but it doesn't hurt to plan ahead. Spring Rally will be held in February 2019. The date and time are still to be decided. Cosby High School will be hosting this year. At Spring Rally, we will be electing the division's new Lieutenant Governor and the Most Outstanding Key Clubber. Members will be notified in late November - December by news bulletin and newsletter!

About your Division

Here is all you need to know about our division along with how we are compromised on the District and International levels and all about your leaders.

We, as Key Club members, make up our division, which is Division 5B. A division is one of many that compose a district of Key Club International. Our division is part of the Kentucky-Tennessee (K-T) District of Key Club International. In case you are wondering, there are 14 divisions in the K-T District. The K-T District is one of many district that make up Key Club International.

LEADERS

On the club level, club presidents, V.P.'s, Secretaries, Treasurers, etc. are elected. On the District level clubs in divisions are represented by a Lieutenant Governor(LtG). A LtG speaks the voices of members at board meetings and assists in the training of officers. A LtG is mainly responsible for keeping their division informed on district and international news, as well as keep the division running smoothly.

Our district is represented by the K-T Board. The Board consists of our District Governor, Secretary, Treasurer, Bulletin Editor, Historian, and 14 Lieutenant Governors.
