KENTUCKY-TENNESSEE DISTRICT KEY CLUB

DIVISION 10/11

The Keynote

First, a big thanks to those who attended the District training at Franklin County High School on September 15! It was a successful training session with plenty of good information for officers to use at the club level as well as some pretty awesome goody bags and door prizes! Special thanks to Ms. Brenda Graves, FCHS Key Club sponsor, Kiwanis Advisors Eugene Harrell and Edye Bryant for helping as well as KY-TN Governor Emily Howard.

Second is the importance of contact information. Before the training, I contacted one of our Key Club contacts (Mr. Steve Phillips) for all contact information for all clubs in Division 10-11. Of those, I sent emails to each. Bottom line: I, nor the District has all information. We need this information!

Third, the Fall Rally is set for October 20 at Dollywood in Pigeon Forge. My family and I will be there and I hope that many of you will be too. Please see more in this newsletter about this important event!

Fourth, please share the newsletter with all members in your club. You may tell them to follow the Facebook page to see it, anyone can download it from the Facebook page, save it and print it out and distribute at club meetings or forward in emails to others.

As always, it is an honor to serve as your Lieutenant Governor for Division 10 /11 of the Kentucky-Tennessee District of Key Club International. Your thoughts and suggestions are always welcome. Please email me or call me anytime.

Best regards,

Grayson Thurman

The window for sending club dues opened on October 1 which means clubs can be sending their membership dues to the KY-TN District. Of course, this does NOT mean your club is finished recruiting. Clubs can certainly continue taking members but will need to continue to send their dues to the District. Thanks to all who are taking steps to grow!

FRANKLIN COUNTY CLUB PICNIC

On October 8, the Franklin County High School Key Club members were invited to the annual cookout hosted in their honor by the Frankfort Kiwanis and East Frankfort Kiwanis clubs. Members from both Kiwanis clubs provided and prepared the food. Chuck Knowles (a Kiwanis member), who is a candidate for magistrate of Franklin County's third district which includes FCHS and many of the precincts of FCHS students was in attendance. Bobby Hall, candidate for Franklin County Property Valuation Administrator, also attended.
