

November 2018

KENTUCKY-TENNESSEE DISTRICT KEY CLUB

DIVISION 10/11

The Keynote

First, a big thanks to everyone who actively participated in National Key Club Week, November 5-9 (last week). My home club at Franklin County High School sponsored several activities in conjunction with this week to call attention to Key Club and our mission of service to others. Key Club was front and center at many schools throughout our division, the district, and the nation!

Second, a big thanks to Kiwanis Division 10 Governor Russ Williamson, Lt. Governor Anette Eades, and all of the Kiwanians who welcomed KY-TN District Governor Emily Howard and me at their meeting in Lexington, Kentucky on October 26. It was a very nice event and I appreciated the opportunity to speak.

Lieutenant Governor

Third, while illness kept me away from this year's Fall Rally at Dollywood, there were hundreds of Key Club members and their families on hand to celebrate! It was a successful event thanks to all who attended and so many who helped plan for it.

Fourth, thanks to all who have submitted dues. Still plenty of time to recruit new members to join local clubs and then participate in the District Convention this spring in Franklin, Tennessee.

As always, it is an honor to serve as your Lieutenant Governor for Division 10 /11 of the Kentucky-Tennessee District of Key Club International. This weekend, I will be travelling to Franklin, Tennessee for our district board meeting to be held at the same location. We'll meet all weekend to work on this year's convention. Please plan now to attend the convention in March 2019...it will be a great meeting and a fun time! Your thoughts and suggestions are always welcome. Please email me or call me anytime.

Best regards,

Grayson Thurman

It is VERY IMPORTANT that we have this info. This month, we have received reports from only 2-3 of the nearly 20 clubs in the division. We NEED your information!!!

CLUB ACTIVITIES

Franklin County's club has been very active. Aside from the weekly meetings, FCHS has been engaged in a number of activities that emphasize service and volunteerism. Check out the pictures below:

Left and Right:
Franklin County club members donated items and put together a large gift basket and individual goody bags that were presented to the school custodial staff in appreciation for all they do in helping to provide a clean, safe environment .

Above:
Club members at Franklin County gave up their morning off from school on Election Day (November 6) to provide breakfast for teachers and staff who worked that day. They were treated to pancakes, bacon, fruit, and more. Great way to showcase Key Club's mission by serving those in the school building.

Right:
Beyond a school wide Veteran's Day ceremony, Franklin County's Key Club set up a table during all lunch periods where students could write notes or sign cards that will be sent to soldiers on duty.

CLUB REPORTS

SHOUT OUT to Bourbon County Key Club (President Kassandra Benitez and Secretary Alexis C. Edwards)!!!

Thanks so much for ensuring that the BCHS Key Club reports are submitted. Looks like Bourbon is a very active club with plans for a lot of activity this year that includes trash pickup, DQ Night fundraisers, a food drive, a float for their Christmas parade, and tutoring at the local library. Great job and keep up the awesome work!

SHOUT OUT to Franklin County Key Club member
