ICON JUNE 30-JULY 7

International Convention
from DC to Baltimore

The time is approaching quickly to register and pay for ICON, but what exactly is all of the hoopla about? Well, the Kentucky-Tennessee District is going to travel to Washington D.C. from June 30-July 2 and visit the White House, tour the famous monuments, and enjoy Museums of the Smithsonian. Convention will begin on July 3-7, and there will be plenty of time to tour the Inner Harbor area and see the magnificent Dragon Boats.

With all of the fun and exciting events that will take place, I hope you will consider attending ICON to vote for your international board, and to experience an amazing bonding experience with friends or meeting new people and creating amazing bonds!

RECAP OF DCON 2019 FRANKLIN, TENNESSEE

Surfing into Service

Having a whale of a time with all of the surftastic puns for the overall look of the 2018-2019 year of service. With nights full of laughter, inspirational speaking, and dances, DCON was an incredible experience that everyone should try! We visited various workshops, put together toiletry bags for the local Ronald McDonald House, danced the night away at the district dance, and elected our new treasurer, secretary, and governor for the upcoming school year.

DIVISION COUNCIL MEETING

June 15 DCM

Who doesn't love ice cream and animals? Well, in our first division council meeting we will have a large service project for the local Chattanooga animal shelters, and then bond at Coolidge Park, in Chattanooga, with a picnic and ice cream social. I encourage each and every one of you to join as we start to kick-off this year of service! Times and more detailed information can be viewed in my next newsletter. I will see you there!
