- June 1, 2019- All money is due

UPCOMING BRAG BOARD

Get in contact with me and you may see a picture of your club here. Send me a picture of a service event you participated in and a brief description.

SPRING BOARD RECAP

Spring Board was pretty awesome! I had the opportunity to meet all the 2019 Board members. spring Board is when all the Lt.Gov's and Executive board members were trained for their job and when we set goals for the K-T district.

DIVISIONAL COUNCIL MEETING

Are you ready? I am that's for sure. At our 1st DCM we will be having a rolley chair race, food, fun, and a divisional update. I will send out an email to confirm with all of you on attendance.

ELIMINATE WEEK

May 6th-10th

Make it Known Monday

Did you know that 34,000 babies die every year from tetanus? Watch and share this educational video from the Key Club International board to learn more about maternal and neonatal tetanus. Then, see The Eliminate Project in action in this video about Tanzania or this one about Papua New Guinea.

<https://www.youtube.com/watch?reload=9&v=RzWNT14qrY8&t=103s>

Toss It Out Tuesday

On Tuesday, encourage your members to give up something they frequently buy (i.e. a cup of coffee or a cookie at lunch). With the money you save, you can make a small donation to The Eliminate Project! Every dollar counts. Or, consider “tossing out” items or clothes that you don’t need. If you’re able to sell them at a resale shop, donate what you earn to The Eliminate Project!

E-lemon-ate Day

Today, we’re challenging Key Club members everywhere to eat part of a lemon! Take a video of you participating in the E-lemon-ate Challenge, make a donation to The Eliminate Project and challenge three other people! (Think Ice Bucket Challenge, but much more sour and much less cold!)

Throwback Thursday

On Thursday, post a throwback photo for mothers and babies affected by maternal and neonatal tetanus. Share a photo of any projects you’ve done to raise awareness for mothers and babies who are affected by tetanus.

Fundraiser Friday

It’s all been leading up to this! To protect moms and babies from MNT, we must raise money! Use the last day of Eliminate Week to set up a fundraiser for The Eliminate Project. You can set one up online, check out some of our fun and engaging ideas below, or come up with your own innovative fundraiser.

Fundraiser Ideas:

Penny Wars: Encourage your homeroom classes to compete in penny wars to see who can raise the most change for The Eliminate Project!

Flowers for Mom: Since it’s close to Mother’s Day – and we’re celebrating moms and babies! – see if a local flower shop will donate flowers to your club to sell. Encourage your classmates to purchase them for their mom on her special day.

Dine to Donate: Many restaurants will donate a percentage of their sales for an evening to your cause. Ask around at the restaurants in your area!

Cookies for Coins: Have a fun cookie-baking night with your club and then sell them during lunch for spare change! Every penny makes a difference.

As always, you can pick and choose which activities your club will do to best cater to your schedules and interests. As long as we’re supporting the cause to eradicate Maternal Neonatal Tetanus, we are all making a difference.
