## DCM RECAP

Our first Divisional Council meeting was pretty awesome! I had the opportunity to meet a bunch of people throughout the division. We talked about upcoming events in the division and played some fun games! We had good attendance ,but I hope that next time I'll see more of you! Our next divisional council meeting will be in August and the details of where and when have not been set so I'll make sure to send out a separate email about it when it has been decided.
