Divisional Council Meeting

In early September I plan to have my divisional council meeting (DCM) in Irvine, Ky. There is not a venue yet but I would like to get a rough number of those who are interested in attending. There will be fun games, a service project, and food. I hope to have as many members of division 9 as possible! Contact me if your interested in attending.

FRIENDLY REMINDERS

I'm am still in desperate need of officer contact information. It's important for us to be in contact so I can help you with any questions or problems your club may have. As always, my contact information is at the bottom of my newsletter. Even though school is out for summer, dont forget to continue planning summer projects with your club. I would love to attend some projects with your club and get to know your officers and members so reach out to me anytime. Also, start sending me pictures of your club doing projects and service to be featured in my club spotlight section starting soon.
