& MORE

MONTHLY UNITY PROJECT

This month, we will be collecting school supplies as our monthly unity project. Please begin collecting supplies as a starter service project for your clubs.

We will be accepting **paper, pens/pencils, markers, crayons, glue sticks, rulers, highlighters, scissors, folders, and composition notebooks**. The drive will end on August 23rd.

On **August 25th**, we will have another DCM to package the school supplies and talk about the start of our year. Please send representatives from your club to **Downtown Commons from 2-4 pm**.

All supplies will be donated to the local Department of Child Services.

MEMBER RECRUITMENT AND PAYING DUES

As the school year begins, start encouraging your students and fellow classmates to attend a Key Club meeting. Personal connections, offering food, and recruiting friend groups help attract people to attend!

Dues become payable October 1st. I encourage all clubs to try to obtain the Early Bird Award at DCON by submitting dues early! Fundraising like Happy Change, Bake Sales, and Penny Wars are great ways to keep costs down!

FALL RALLY

2019

Our annual Fall Rally at DollyWood is coming up soon! Please encourage members of your club to join us for a service project and day of fun in the park! Registration is available online @ ktkey.org and requires a \$50 fee. Price of attendance includes park admission and a t-shirts!

OFFICER TRAINING

ALL officers should attend on **Saturday, September 14th** from **2-4 pm** at **331E Union Street.**

Officers will learn about their positions, meet other officers from around the division, and receive updates on the rest of the year. Advisors are welcome to attend as well.

OCTOBER 19TH

DISTRICT PROJECT

Our District Project is the Ronald McDonald House. The Ronald McDonald House provides living essentials for families of children in the hospital. Please find a way to incorporate our District Project into service within your clubs!

YOF

The Youth Opportunities Fund is a great way to take action in your community as it allows clubs to access grants for service projects. Applications go live on September 1st and are due October 15th.
