**UNPAID CLUBS BECOME**  
**SUSPENDED**

**MARCH 19-21, 2021**  
**DCON (GATLINBURG, TN)**

Hello Division 1! This year, I plan to broaden the way for Key Clubs in Division 1 to become more exposed than they appear in schools. Key Club is an amazing organization to be apart of, and I want as many people to see the light shine from it as possible. My goals for this year are to truly be a family and to share our experiences with each other monthly either through a video chat or a division dinner. I am so excited to work with you all this year!!!

Remember, I am always open to hear from you all so please share ideas or activities you want us a division to part take in or even just to have your LTG there for a helping hand.

# DIVISION 1 LUNCHEON DETAILS

I am so excited to announce the details to our first Division 1 Council Meeting! It will be held May 23, 2020 @11:30am CDT / @12:30pm EDT via Zoom! The attire will be casual wear as we are just getting acquainted. The agenda will contain the topic on ways to still have an active club during COVID-19 and submitting monthly reports. As an addition we will have our District Governor, Lexi Evans, join us and Division 10 Lieutenant Governor LeAnn Khong. Looking forward to this awesome meeting!

## CLUB CONTACTS

Please send me an email with any contacts for your club officers and for anyone interested in receiving division-wide news! Also, if your club has not held an election for the 2020-2021 school year, don't stress! You can hold elections when school resumes or even hold a virtual meeting before the year ends. I can help guide you through this process if needed.

# ELIMINATE WEEK

May 6th-10th was Eliminate Week! Though the week has already passed, I still want to share a little information on it! Through The Eliminate Project, the Kiwanis family is changing the world. To date, we have helped save and protect lives by eliminating maternal and neonatal tetanus (MNT) in 27 countries.

This year, Key Club International is projecting to raise US\$700,000 as part of Key Club's US \$3 million pledge to The Eliminate Project. Let's help finish the fight against tetanus and protect mothers and babies from this deadly, but preventable, disease! This is a great way to support families everywhere. Be sure to participate next year!

## COVID-19

We urge everyone to follow the WHO's basic protective measures:

- \*Wash your hands frequently and thoroughly
- \*Maintain distance in social interactions
- \*Avoid touching eyes, nose and mouth
- \*Practice respiratory hygiene
- \*Seek medical care early if you have fever, cough or difficulty breathing
- \*Stay informed and follow the advice of your healthcare provider
