ANNUAL DUES BECOME DELINQUENT

Summer greetings Key Clubbers! I hope everyone is enjoying the start of summer break. This is a perfect time to get a head start on planning next years activities for your school club. Even with COVID-19 there are still opportunities for community service.

District Meet and Greet Recap

Thank you to all who participated in the district meet and greet! It was great to see all of the key clubbers in the KT-District. We were able to play a fun Kahoot game and introduce ourselves. If you would like to organize one for your home club, you can contact me with any questions.

RECENT COMMUNITY PROJECTS

I recently was able to put together a small service project with a fellow member of my home club. We assembled "Summer Fun Cups" that included bottled water, water flavoring, popsicles, and an assortment of candy. We passed out 150 cups in less than 2 hours. The kids who received the cups seemed to love and appreciate them. This project was fully funded by donations.

CLUB CONTACTS

Newsletters are a great way to update everyone at school about the latest happenings. In order for me to relay information with each of you as quickly as possible, I am asking for your help. Please send an email to me with your new club officers and their email addresses, as well as anyone else in Division 8 that would like to be included in the distribution of this newsletter. If your club has not yet been able to hold new officer elections, no worries!

Elections can be held when school resumes or can even be done virtually. If you have any questions or need guidance I am happy to help you!
