LTG & District Office Elections

It is very important that I find someone to take my place after my term ends. If you, or someone you know, are interested in running for LTG please let me know. I would love to talk to them and let them know everything about this amazing position! I highly encourage you all to look into it and reach out to me. If not me, then talk to your advisors about it so they can let me know.

If you have decided that you do want to run, you will have to give a short speech at our division's Spring Rally. After that, the chosen delegates will take a vote and we will announce who the new Division 6 LTG will be! **(Your club has to have paid dues for you to be able to run for any position.)**

Running for a District position is a little bit different. It is recommended that you seek endorsement but it is not required. Then, you will also have to give a short speech on why you deserve endorsement.

The specifics of this will be explained throughout our Spring Rally.

Spring Rally

Spring Rally is a very important meeting for all the divisions in the K-T District. It symbolizes the start of the new Key Club year. It is the event held by every division which will determine who will be a part of the next K-T District board. This rally is meant to bring the clubs in each division together, recognize the year's accomplishments, and finalize the information for the start of the new year.

I have set the date for our Spring Rally. We will hold it on February 27th, 2021. I will let you know the location if we are able to have it in person. Otherwise, we will hold the rally through Zoom. As I said, this is a very important meeting. We will be determining who will take my place, who will be running for a district position, and recognize the next Outstanding Key Clubber. Your club has to have paid dues to attend. It is recommended that your club has two delegates predetermined to cast votes on behalf of your club.

I do truly hope that we are able to meet in person as this is such a big event. Regardless, I am looking forward to meeting the new LTG and helping them through their term. Until then, I have a mountain of paperwork to fill out. Lol just kidding. Seriously though, I do have a lot of work to do so I'm gonna get on that right quick.

Key Club Week

The 1st full week of November was Key Club week! It's definitely safe to say that it was a success! I was super stoked to go on our social media pages and see that Key Clubbers all across the K-T District had exhibited their Key Club pride. I know that the pandemic might of served as a small speed bump but it warmed my heart to see your smiling faces.

DCON and Contest Entries

As we all know, the 2019-2020 District Convention was cancelled due to COVID-19. Another devastating cancellation. We are currently planning next years DCON which is still on. The theme is Oh the Places Key Clubbers Will Go! I do truly hope that we will be able to hold the event. I really would like to meet you all and hangout!
