# SPRING RALLY

Our Divisional Spring Rally will be taking place through Zoom on February 20th! If you are interested in running for Lieutenant Governor or receiving District Endorsement, it is absolutely necessary that you attend. All other club officers are also advised to be there! This meeting will be a wonderful time for you to meet with your fellow clubs and share ideas! I hope to see you join in all the fun!

## RUNNING FOR OFFICE

If you are interested in running for Lieutenant Governor, any district position (which include Governor, Secretary, Treasurer, Historian, and Bulletin Editor), or International Trustee, please email me as soon as possible! Remember that you are all capable of earning a district Officer position, so please don't be intimidated!

I will be holding a meeting for those interested in running for Lieutenant Governor and all other officer positions on December 19th! I will be sending an email shortly with more information!

# DISTRICT CONVENTION

It's time to start making plans to attend District Convention! This year, it will be held in Gatlinburg from March 18th-21st. DCON is an amazing experience that I wouldn't want any of you to miss out on! It includes a mass service project, insightful workshops, a talent show, and even more fun activities!

# KEY CLUB WEEK RECAP

From November 2nd to November 6th, we held our annual Key Club Week! This event allowed Key Clubbers to show their spirit, while having fun and advertising their clubs! If your own club participated, I would love to see pictures to share in January's newsletter!

# TUTOR PROGRAM

I hope that some of your clubs will participate in our Tutor Program! Remember that this will operate on an individual-club basis, so whether or not your club would like to participate is up to you! If you respond to my December Check-In Google Form and state that your club is interested, I will email your club all of the resources you need! I have already created a schedule form, as well as a tutor interest form, so I've eliminated all of the extra work on your end! All you, as officers, will need to do is oversee the operation of this program (schedule appointments and document service hours)! I highly encourage you to participate! Let me know if there is anything else I can do to help!
