Officer Elections

I understand that COVID might serve as a roadblock when it comes to this year's officer elections. If you have not elected your officers yet, I urge you to hold a virtual election. If you will have me, I would love to attend and get to meet your new officers and club members!

Please try to have your officers elected and their information sent to me before our Spring Rally.

DCON and Contest Entries

As we all know, the 2019-2020 District Convention was canceled due to COVID-19. Another devastating cancellation, fortunately, however, We are currently planning next year's DCON which is still on. The theme is Oh the Places Key Clubbers Will Go! There are several contests and awards that your Key Club can apply for:

- Life's A Highway Travel Award
- Outstanding Kiwanis Advisor
- Kiwanis Family Awards
- Outstanding Faculty Advisor
- Outstanding Key Clubber
- Outstanding Club Secretary
- Best All-Around Key Clubber
- Outstanding Club President

Remember, any of you or your clubs can apply for any of these contests!

LTG & District Office Elections

It is very important that I find someone to take my place after my term ends. If you, or someone you know, are interested in running for LTG please let me know. If not me, then talk to your advisors about it so they can let me know.

If you have decided that you do want to run, you will have to give a short speech at our division's Spring Rally. After that, the chosen delegates will take a vote and we will announce who the new Division 6 LTG will be! (Your club has to have paid dues for you to be able to run for any position.) I recommend that your club sends two delegates, along with any members running, in order to cast votes on behalf of your club.

Running for a District position is a little bit different. It is recommended that you seek endorsement but it is not required. Then, you will also have to give a short speech on why you deserve an endorsement.

Running for any position in Key Club has many benefits. You get to provide service, represent your town, make new friends, and you might even attract the attention of colleges near you!

The specifics of this will be explained throughout our Spring Rally.

Spring Rally

Spring Rally is a very important meeting for all the divisions in the K-T District. It symbolizes the start of the new Key Club year. It is the event held by every division which will determine who will be a part of the next K-T District Board. This rally is meant to bring the clubs in each division together, recognize the year's accomplishments, and wind down for the start of the new year.

Our Spring Rally will be held virtually on February 27th, 2021 over Zoom. I am excited to host my Spring Rally and I hope it will go smoothly. When I have more information, I will keep you updated through our Division's Instagram account and reminders throughout the coming weeks.

As I said, this is a very important meeting. We will be determining who will take my place, who will be running for a district position, and we will recognize the next Outstanding Key Clubber. Only clubs with dues paid may attend Spring Rally, run for positions, and vote.
