INTERNATIONAL CONVENTION

The annual Key Club International Convention will be held July 7-11, 2021 at Walt Disney World Resort in Florida! ICON is a great way to meet other Key Clubbers just like you from all around the world! Participating in ICON can give you the opportunity to travel, train for your position, talk to others who've already been in your position, discover charities and volunteer organizations, and exchange ideas for fundraising and service projects.

NEW LT. GOVERNOR NEEDED

The Lieutenant Governor position is one of the most important roles of Key Club! The Lt. Governor is the chief executive officer of the division and has the responsibility of keeping all the clubs of their district informed about Key Club's activities, events, and news. Serving as Lt. Governor is a demanding position that gives you the opportunity to learn responsibility and leadership skills. At Spring Rally, each candidate will give a short speech (2-3 minutes long) explaining why they want to be Lt. Governor, what they will do as Lt. Governor and why they should be chosen to be the next Lt. Governor. Candidates should also be prepared to answer any and all questions about themselves, their knowledge about Key Club, and their candidacy. You **MUST** be present at Spring Rally to run for Lt. Governor!

RUNNING FOR DISTRICT OFFICE

The following positions are now open: Governor, Secretary, Treasurer, and Lieutenant Governor. The 2021-2022 Lieutenant Governor will be selected at Spring Rally (Feb. 13, 2021 2pmEST/1pmCST) while the District Governor, Secretary, and Treasurer positions will campaign and be elected at District Convention! Descriptions and information over these positions can be found on the KT Key Club website at ktkey.org! You can also run for endorsement at Spring Rally!

CHILDREN'S MIRACLE NETWORK

The Children's Miracle Network is a non-profit organization that raises funds for children's hospitals, medical research and community awareness of children health issues.

The Children's Miracle Network has raised over \$5 billion for 170 children's hospitals across the US and Canada! These donations have gone to support research and training, purchasing equipment, paying for uncompensated care, and more to help save and improve the lives of hundreds of thousands of kids and there are ways you can help!

Some ways you can help are to provide toys for the kids, donate books or games, volunteer to help staff information booths or surgery waiting rooms, support safety campaigns, or even participating at your local iHOP on National Pancake Day by enjoying a free stack of buttermilk pancakes and in return, donating to help this great cause!
