Hello Key Clubbers! I hope everyone is having a great start of their summer break. This is a great time to get a head start planning activities for the upcoming year. Even with COVID-19 there are many opportunities for community service through out the summer.

Summer Activities

It is important to keep your Key Club active throughout the summer as the upcoming year is approaching.

To do so, plan some summer activities such as a water balloon fight, paint war, or even a slip 'n slide.

These are some fun ways that I think would be fun to keep your Key Club active during summer.

If you or your school gets together over the summer and holds some summer plans, send me pictures through the Division 8 Key Club Instagram.

Club Contacts

Newsletters are a great way to update everyone at school about the latest happenings. In order for me to relay information with each and every one of you, please send an email to me with your new club officers and their email addresses, as well as anyone wanting to help in the distribution of this newsletter.

If your school hasn't been able to hold elections for your new club officers, they can be held when schools return or even be done over zoom. If you have any questions, I will be here to help!

Everyday is a new chance to change the world.

Once again, if you have any questions, please feel free to contact me!
