Divisional Meeting!

I will be holding an officer training meeting either the 4th, 5th, or 12th of September at 2pm. I would like it to be between an hour or an hour and a half. If you could please get back to me before the 13th of August with availability that would be great.

Membership Drive

Time to bring in some new faces to our clubs. Use the morning announcements, create posters, or bring a friend to one of your meetings. You can reward members who bring people to meetings because spreading the word allows for Key Club to do more amazing work.

Youth Opportunity Fund (YOF)

It is an endowed fund for Key Club International held within the Kiwanis Children's Fund. Grants from \$250-\$2,000 may be requested. This money is for service projects which could help situations with your school or community. You can apply for this grant in September.

District Project

The district project is for the Ronald McDonald house. The Ronald McDonald House's goal is to help families in need by supplying shelter and food, for free, while being hospitalized.

Our division can help out by providing the Wish List items that are listed by each House. These are basic necessities that each House needs to function. Items:
