Youth Opportunity Fund

Your Key Club could be eligible for a grant between \$250 and \$2,000! This is an opportunity for any Key Club so they can identify problems or areas of need in their community, then receive the monetary funds needed to complete the project. Look around your community and apply to the YOF by October 15. Grant recipients will be notified in January. District Project

Our District Project is the Ronald McDonald House.

This is a wonderful nonprofit organization that provides support for families with ill children. This organization would not be able to fulfill its mission without our support. A great way to do your part is to **donate needed items!** *Sugar, dryer sheets, cooking spray, bleach, paper towels, garbage bags, disinfectant spray, etc.* A great service project to start this year is a collection drive! If you need help organizing this event, please contact me!

District Convention

The Kentucky-Tennessee District Convention will be in Franklin, TN this upcoming March. There will be many exciting events and important workshops offered. This is a great opportunity to meet new Key Club members, connect with your own and other clubs, and to learn more about service!

Trick-or-Treat for UNICEF

Key Club is a partner for UNICEF's trick-or-treat event. Donations are used to support children in need. They provide emergency relief, education, and improve childhood health worldwide. I will talk more about this event in upcoming months, so be on the lookout for more details!

Membership Drive

As we start this school year, I know you are all interested in growing your clubs. Take part in the membership drive! Tell others about what we do and our mission! Try hanging up posters and talking to your peers about Key Club and encourage your classmates to take part. There is always room for new members, so please encourage anyone and everyone to join!
