Saumya's Summary

Hello Division 14!

I hope everything is going well with school and Key Club. Don't forget to keep in touch, below are two ways to contact me. I'd love to hear about the things your club is doing and if there is anything I can do to help.

REMINDER!

Something to keep in mind are dues. Remember, Key Club dues are \$14 per member. \$7 for International and \$7 for the District.

In order for your club to receive the Early Bird Award at DCON this Spring, be sure to pay dues no later than December 1st.

I hope everyone had a great Key Club Week, I know I sure did! I always encourage all of you to spread the Key club love every week of the year.

**Key Club
Week**

Some ways to do this include:

- **wearing your favorite Key Club gear**
- **Telling someone about your personal key club journey**
- **making care packages or letters for a local nursing home**

or even just telling someone that you are thankful for them. I love to see all that you do to help our schools and communities, if I can help in any way please reach out!

Divisional Meeting

KEY CLUB ROCKS!

Let's make this Thanksgiving more special by meeting our key club family!

As many people in the Division don't know each other and this is the best opportunity for us to meet and make the bonding strong!

I am deciding to hold a divisional meeting soon in December 2021 where all the key clubbers from Division 14 will be coming and having a fun time and doing volunteering as well as helping their community grow more better.

As the break is coming I don't want to disturb you guys so we will be voting for the date and time via google form:

This should be filled out by **December 2**. Stay connected for more information and if you have any problem feel free to reach out to me at saumya@ktkey.org.
