## SPRING RALLY

---

On February 5th, Division Six held its 2022 Spring Rally. I am more than happy to say it was very successful! I would like to thank everyone who attended and participated in our activities. Without each of you, it would not have been possible. I would also like to thank them for dealing with my ridiculously corny jokes throughout the whole event. It makes me extremely happy to have events like this, and it warms my heart to see people enjoy them as much as I do. Although it is bittersweet to see my term close to its end, I can promise that Division Six will be in good hands!

## CLUB OFFICER ELECTIONS

---

Without officers, is a club even possible? I don't think so. That is why it is the time of year to start having club officer elections. I cannot stress how important it is to have this event. Once your club has finished elections, please send me the contact information of your officers. If you have any questions or need help planning officer elections, I am more than happy to assist.

## INTERNATIONAL CONVENTION

---

International Convention gets closer and closer each day! This year, the event is taking place in the charming and bustling city of Washington D.C. From July 6th to the 10th, you can have an experience like that of no other. At ICON, you get the chance to meet people from everywhere. Planned activities and events also let you enjoy both the convention and the city as much as you possibly can. The opportunity is also super affordable, so do not miss out! If you would like to know more about ICON, please contact me and I will be happy to answer any questions.
