Excited for the year

I am excited to jump back into the key club year with you all! Some goals I plan to achieve is to get to know you all, charter new clubs, and bring back inactive clubs.

I plan to hold divisional council meetings and a few Division-wide projects. Lastly, I have the desire to improve communication from the District to the clubs.

Please feel free to contact me at any point in time throughout the year.

Club Contacts

In order to get more information to you so that club officers may inform their club of what's occurring. A vital way for me to communicate effectively and pass on information is having your club's contact information. So as soon as you have your newly elected officers please send me their contact information including their email and phone number at Jalsley@ktkey.com. I would love to stay in contact with each and every club officer so that I can answer any questions or concerns that may arise.
