Unpaid Clubs Become  
Suspended

### About Myself

Hi! My name is Aieza Ahmad and I am the new division 6 Lieutenant Governor. I am a freshman at Middlesboro High School. This year I'm so excited for this journey to grow into the huge Key Club family we once were pre-COVID. I am honored for this opportunity to help my districts key clubs, and so eager to create many new bonds during this experience!

## District Convention Recap

My first DCON that I attended was held in Franklin, Tennessee on March 18-20. It was an amazing experience to say the least. The theme was Celebrating Superheros of Service and it was so inspiring to see the different acts of kindness that was shown to appreciate that. Coming out of COVID and celebrating that with this convention with over 200 attendees from all across the District was truly amazing. I can't wait to share this experience with even more people at our next DCON!

**For more information about DCON visit  
[ktkey.org](http://ktkey.org).**

## Successful Spring Board/Excited for the year

I have various ideas in mind that I cannot wait to act on this year! I intend to make the most of my time as your Division 6 Lieutenant Governor. Some goals I have are to bring back some inactive clubs, make sure dues are paid on time! Keep in contact with all of my local clubs, and to most importantly, help all Key Clubs. Without a doubt, I know that this will be a great year.

**Please feel free to contact me if you have any questions about Key Club at any time!**

## Club Contacts

---

I cannot stress enough how important communication is. This year with one of my goals being to stay in contact, it is a key that we stay in touch. Please share new officer contacts as soon as possible! Without Key Club Officers we couldn't do half of what we need to accomplish.

Therefore it is a must that we have a decent amount of communication. At the end of the day, in order to stay in touch, two people are going to have work together, not just one.

## ICON

---

International Convention is coming soon and **registration is now open!** It will be held in Washington DC this year from July 5-12. ICON is a convention like no other. You can experience so many different things from the sights of DC to the activities in the convention itself. Information will be posted on the district website **ktkey.org** where all of your questions can be answered. Anyone apart of Key Club is invited!
