## *About Myself*

Hello, my name is Arley Martinez and I am your Lt. Governor for 2023-2024. I'm a sophomore at Ridgeland High School, I'm a member of my school's tennis team, and I love to travel. I have been with Key Club for two years now and have even been the treasurer for my school's Key Club. I am very thankful for this opportunity and will do my best throughout!

# District Convention Recap

The District Convention was a success. It was held in Gatlinburg, Tennessee. Many Key clubbers attended and participated in fun activities and workshop events such as "Dance Your Way to Health"! The convention's keynote speaker, Scott Backovich, also talked about the importance of being involved in the community and what service truly means. Important matters among the board also took place. Our 2023-204 Governor, Suamya Sikhwal; District Secretary, Sala Aseta; and District Treasurer, Jackson Wimpsett were all appointed into position!

## Successful Spring Board

Day one was full of nerves and excitement, nonetheless, the board was quick to make connections and even share laughs over embarrassing stories. It was also memorable as the board appointed Janiah Searcy as Bulletin Editor and Lucy Teng as Historian! Despite the fun, the board attended important business matters and were in and out of meetings. They set goals for the year and gained the proper training needed to lead their divisions to the best of their ability! Having built great relations, it was sad to say goodbye to one another, but we all definitely can't wait for the upcoming summer board meeting!

## Club Contacts

---

Newsletters are a great way to update everyone in the division about the latest happenings within the division. So in order for our year to be as efficient as possible, I need to be able to contact everyone. I would like to get updated club officers' contact information as soon as possible from all the club advisors and the current officers to ensure that I can keep everyone up to date on important Key Club events and projects!

## International Convention

---

International Convention is being held in Anaheim California. It is an amazing experience which allows members to visit Disneyland, walk down Hollywood Boulevard, and even see the iconic "Big 5" movie studios. However, the convention is also a great place to meet other clubs, collaborate on ideas for upcoming service projects, and learn about upcoming service opportunities. Key Club encourages members to sign up on this life changing trip! The deadline to register for KT District Tour to ICON is May 1, 2023.
