About myself

Hello Division 7!!! I'm your Lt. Governor this year and I'm from Unaka High School and I'm an upcoming senior. I play percussion with the marching/concert band. I look forward to seeing all of you and working together to serve our community.

I want to have emails that are good so that we can stay in close communication. I will stress this throughout my term because I believe that having communication is the key to a successful club.

District Convention Recap

We had our 74th DCON in Gatlinburg, TN from March 31st to April 2nd, 2023. At DCON we elected our new district board. governor: Saumya Sikhwal, secretary: Sala Aseta, and treasurer: Jackson Wimpsett.

We had a service project (top picture) where we packed bags for Ronald McDonald House. We also had a guest speaker that really motivated me to be better at public speaking, Scott Backovich. Overall, DCON is a good chance to get to know others in the K-T district and to make new friends. I encourage everyone to go to DCON this year on the weekend of the 22-24 of March.

Successful Spring Board

At Spring Board we appointed Lucy Teng as district historian and Janiah Searcy as bulletin editor. We learned how to take on our positions and to help you as much as possible. There were a large number of business meetings that were held at Spring Board, but we laughed and made connections as much as we worked. Of course, we all are very excited to work with you and each other for our community.

Club Contacts

Newsletters are a great way to update everyone in the division about the latest happenings within the division. So in order for our year to be as efficient as possible, I need to be able to contact everyone. I would like to get updated club officers' contact information as soon as possible from all the club advisors and the current officers to ensure that I can keep everyone up to date on important Key Club events and projects!

International Convention

This year ICON will be in Anaheim California July 4-11, 2023. Disneyland is a 10 minute walk from the hotel. We are also by Hollywood and we will be going on a tour of the area, including Universal Studios Hollywood.
