Club Contacts

Newsletters are a great way to update everyone in the division about the latest happenings within the division. So in order for our year to be as efficient as possible, I need to be able to contact everyone. I would like to get updated club officers' contact information as soon as possible from all the club advisors and the current officers to ensure that I can keep everyone up to date on important Key Club events and projects!

International Convention

International Convention is being held in Anaheim, California. It is an amazing experience that allows members to visit Disneyland, walk down Hollywood Boulevard, and even see the iconic "Big 5" movie studios. However, the convention is also a great place to meet other clubs, collaborate on ideas for upcoming service projects, and learn about upcoming service opportunities. Key Club is so excited to come together for this life-changing experience, so save the date!

SUMMER ACTIVITIES

Although school is nearing its end, it doesn't mean that service opportunities have to as well! There are many projects that can easily be done around your community!

- **Donate “birthday boxes” to family shelters!**

This could mean gathering your friends and donating birthday hats, streamers, decorations, and even cake mixes.

- **Get involved in nursing homes!**

Members can come together and make cards to give, set up a music performance, host a bingo night, or even teach them tech skills as it is important for everyone to understand the basics and intricacies of this growing tech savvy society.

- **Send cards to soldiers serving overseas/ host a drive to send care packages**

- **Host a drive for the local Humane Society.**

Think of all the precious animals. They can be helped by simply collecting items for your local animal shelter's wish list. This can be toys, treats, blankets, etc.

The link to the left is a document that if full of service project ideas so definitely check it out for more information! If there are any questions that cannot be answered from the document, feel free to contact me!

Division Meeting

A division meeting is a great way to meet others within the division and talk about the goals for the community, new upcoming service projects, and a great way to create connections between other schools and clubs. In hopes of organizing one in the next month or so, feel free to contact me through email (arley@ktkey.org) and let me know if that is something that we should organize!
